THE MOST BEAUTIFUL RESTAURANT IN DUBAI

Located at the heart of the city’s Downtown district at the Dubai Opera Plaza, Bisou seamlessly intertwines the artistry of French cuisine with the warmth of Middle Eastern hospitality. Stepping into this unique space, guests are instantly wowed by the vision of AD100 designer Tristan Du Plessis: All the hallmarks of a classic Parisian restaurant (think cafe-style chairs, checkered black-and-white and ornate panelling) create an air of vintage chic, enveloping diners in a timelessly elegant ambiance.
